

BROAD LEAVED WEEDS

Abutilon hirtum

Abutilon indicum

Acalypha ciliata

Acalypha indica

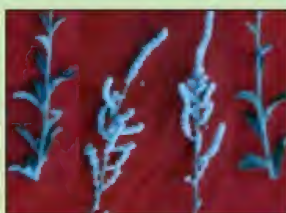

Acanthospermum hispidum

Achyranthes aspera

Aerva lanata

Aerva tomentosa

Aeschynomene indica

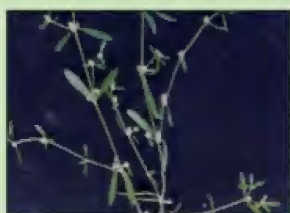

Ageratum conyzoides

Alternanthera

Alternanthera paranychioides

Alternanthera sessilis

Alternanthera pungens

Allmania nodiflora

BROAD LEAVED WEEDS

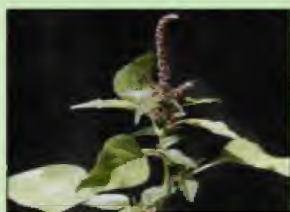

Alysicarpus rugosus

Amaranthus spinosus

Amaranthus polygamus

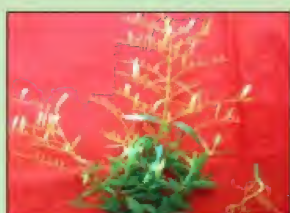

Amaranthus viridis

Ammannia baccifera

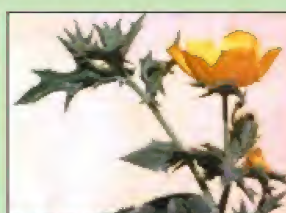

Anisomeles malabarica

Andrographis paniculata

Andrographis serpyllifolia

Argemone mexicana

Aristolochia bractiata

Asystasia gangetica

Barleria montana

Bergia ammanioides

Bidens pilosa

Borreria hispida

BROAD LEAVED WEEDS

Blepharis maderaspatensis

Blepharis molluginifolia

Boerhaavia diffusa

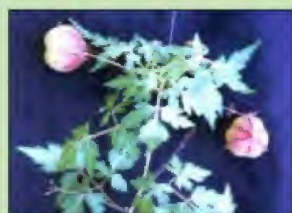

Boerhaavia erecta

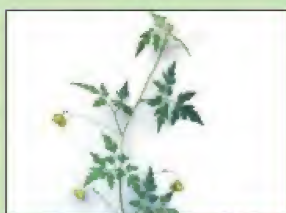

Calotropis gigantea

Calotropis procera

Cardiospermum halicacabum

Cardiospermum microcarpum

Cassia auriculata

Cassia nigricans

Celosia argentea

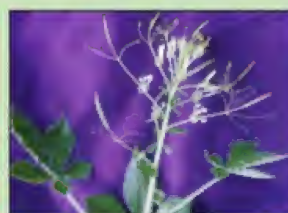

Centella asiatica

Chrozophora rottleri

Cleome viscosa

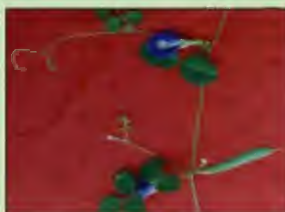

Cleome synandra

BROAD LEAVED WEEDS

Cleome chelidonii

Clitoria ternatea

Coccinia grandis
Syn: *Coccinia indica*

Commelina benghalensis

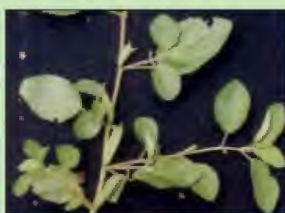

Conyza ambigua

Convolvulus arvensis

Croton bonplandianum
Syn: *C. sparsiflorus*

Croton acaulis

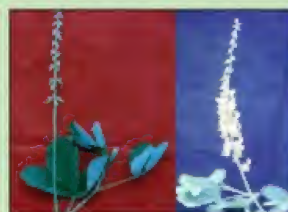

Croton olitorius

Croton trilobatus

Croton tridens

Croton pallidus

Croton verugosus

Cuscuta reflexa

C. axillaris

BROAD LEAVED WEEDS

Cynotis axillaris

Cynotis culculata

Cynotis cristata

Datura metel

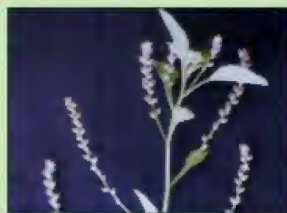

Datura stramonium

Desmodium diffusum

Desmodium triflorum

Digera muricata
Syn: *D. arvensis*

Ecbolium ligustrinum
Syn: *E. viride*

Eclipta prostrata
Syn: *E. alba*

Enicostema axillare
Syn: *E. littorale*

Eclipta alba

Erigeron asteroides

Erigeron arvensianus
Syn: *E. mucronatus*

Euphorbia geniculata
